

Science & Art & Canadian Nature Photography Workshops Acknowledgement of Outing Member Responsibility, Express Assumption of Risk, and Release of Liability.

I understand that during my participation in this photography workshop, I may be exposed to a variety of hazards and risks, foreseen or unforeseen, which are inherent in each outing and cannot be eliminated without destroying the unique character of the outing. These inherent risks include, but are not limited to, the dangers of serious personal injury, property damage and death. I understand and appreciate that I may have to exercise extra care for my own person and for others around me. Potential hazards include other vehicles when stopped at the side of the road, wild animal encounters, slippery rocks or trails near streams or waterfalls, insect bites (ticks and mosquitoes), falling trees and other hazards related to hiking in the outdoors. While every effort will be made to minimize such risks during our outing they cannot be eliminated.

In consideration for my acceptance as a participant on this outing I confirm my understanding that:

- 1) I have read any rules and conditions applicable to the outing made available to me, I will pay any costs and fees for the outing; and I acknowledge my participation is at the discretion of the leader.
- 2) If I decide to leave early and not complete the outing as planned, I assume all risks inherent in my decision to leave and waive Robert Berdan of all liability.
- 3) To the fullest extent allowed by law, I agree to **WAIVE, DISCHARGE CLAIMS, AND RELEASE FROM LIABILITY** Science & Art, the Canadian Nature Photographer, Robert Berdan its affiliates and leaders from any and all liability during the workshop outing.
- 4) I have read this document and I freely and voluntarily assume all risks of such injuries and damages and not withstanding such risks, I agree to participate in the Outing.
